

***State of Washington
Department of Transportation
Notice to Consultants
I-5, SR 161 Interchange and SR 18 Interchange***

Washington State Department of Transportation (WSDOT) solicits interest from consultants interested in submitting a Statement of Qualifications I-5, SR 161 Interchange and SR 18 Interchange in the Northwest Region. WSDOT will award one (1) agreement for approximately \$2,500,000. This project is funded under the new legislative tax package passed early in 2003.

Project Descriptions

This project will provide a design analysis and the environmental documentation to determine the appropriate improvements to the I-5/SR-18 interchange and provide direct freeway-to-freeway connections between I-5, SR-18 and SR-161. Current funding will start the Environmental process. If additional funding becomes available, additional work may include finalizing the design and completing all design documentation including a design file, access decision report, right of way plans, PS&E and on-call services through construction.

The initial agreement is expected take the project through the environmental process, along with needed design to support the needed environmental documentation. See attached work elements list, which includes both initial project work and optional work, as funding is available. A study of this interchange system was developed earlier and will be available for the consultants at the fair mentioned above. From this study, several alternatives emerged. This study will become the starting point for the new work on this project.

Consultant services need to begin as soon as possible but no later than December 2003 with an estimated duration of 2-3 years for the design analysis and environmental work. Depending on additional funding, design documentation, PS&E and on-call services during construction may be needed as future phases.

This project plus the projects listed below will be on display and project personnel will be available to discuss each of these projects at a Consultant Project Fair, to be held on Wednesday, July 16, 2003:

- SR 18, Issaquah –Hobart Road to Tigergate/SR 18, Tigergate to I-90 – Widening
- SR 520, West Lake Sammamish Parkway to SR 202
- SR 522, Snohomish River Bridge to US 2
- SR 539, TenMile Road to International Boundary (East-West Corridor)
- SR 539, TenMile Road to International Boundary (TenMile to SR to SR 546, Widening)

The fair will start at 1:00 PM. The location of the fair is at the Shoreline Center in the Shoreline Room, 18560 First Avenue NE, Shoreline, WA. Reservations for each firm must be made with Meg Blau who can be contacted at 206-440-4685 or blaum@wsdot.wa.gov.

Consultants are requested to not contact any project office regarding any of these projects either before or after the fair. Any such contacts will affect the scores on the proposals.

Additional detail on the this project can be found in the attached file:
